Does it work?: SIYB

Probably one of the most evaluated trainings...

Tanzania: SIYB Training increases value added by 50%

Ghana: Benefits of SIYB training exceed cost by 18 times

Uganda: SIYB plus loans increases monthly profits by 50%

Sri Lanka: SIYB and cash grants lead to 30% increase in the likelihood of starting a business among women

Vietnam: SIYB doubles value added for knitwear sector
New Evidence from Kenya

• increased profits by 15%

• impact on well-being and mental health

• cost of 200 USD per pax is recovered in 1.5 years

• Mentoring does not pass the cost benefit test

• No negative spill overs, i.e. taking away business from non-trained competitors
